## Health Concerns

We are working to mitigate, effectively identify, and appropriately respond to any illnesses that may occur at camp. We are committed to offering a summer camp program with health and safety guidelines in place for all involved. As part of our health screening check in process, we will take temperatures of arriving campers during the check-in process to avoid campers arriving at camp ill. We suggest you check your camper's temperature before leaving for camp.

## WHAT NOT TO BRING:

- Cell phones  
Aldersgate is a cell-phone-free environment. We ask that campers and staff do not use cell phones while at camp. In case of emergency, families can be contacted by staff using the camp's phone. In order to resist distraction, help with homesickness, and not misplace expensive items, we ask that campers leave cell phones at home.
- Laptop Computers, MP-3 players/i-pods/multi-media equipment of any kind.
- Food / Candy (unless arrangements are made ahead of time for medical reasons)
- Electronic Equipment (digital cameras allowed as long as they are not a cell phone's camera)
- Medications not in original containers
- Fireworks, Tobacco, Alcohol, Illegal Drugs/ Paraphernalia, Weapons of any kind
- Personal sports equipment, Pets
- Knives (unless in fishing gear and must be turned into camp staff immediately upon check-in.)
- Campers who wish to drive themselves to camp must contact the Camp Director first.

**Camp Aldersgate does not assume responsibility for lost, damaged, stolen, or missing items, so please put your camper's name on all personal items and take careful consideration when packing.**

**Camp is a place for exploring and playing hard. Campers should be able to get wet and dirty without undue concern for clothing. Old clothes are the best option.**

### **\*\*PLEASE LAUNDER Sleeping Bags and Bedding:**

Bedbugs have become a prevalent problem in Ohio and across the United States. Camp Aldersgate is looking for ways to be proactive instead of reactive on this issue and wants to protect campers and their families and the camp itself from expensive and inconvenient treatments. Please make sure that all linens, sleeping bags and pillows are freshly laundered immediately prior to your camper's arrival at Camp Aldersgate. Laundering should include at least thirty minutes in a dryer on high temperature. Aldersgate has a protocol in place to respond rapidly to any incident involving bedbugs. It's a good idea, before and after any overnight destinations, whether vacation or camp, to check luggage and launder all bedding, drying for at least 30 minutes on high temperature.

***If registering through the mail- Please DO NOT MAIL HEALTH FORM! Bring it, and all prescription and non-prescription medication in original containers, to check-in. (If you registered online- we already have your health form and will have it for you at check in.)***

## **SENDING MAIL AND E-MAIL TO CAMP:**

Campers (and their counselors) LOVE to receive mail! So feel free to send letters and packages, but NO candy or food. Share this with friends and family so they can send your camper notes of encouragement and well-wishes. Mail is usually delivered once a day. Campers may only use the U.S. Post to respond.

### **U.S. Post (snail mail):**

Camper's Name (or counselor),  
Cabin #  
Camp Aldersgate  
3276 Dyewood Road  
Carrollton, OH 44615

Remember, it can take a few days for a letter to get to the site, so write letters early — even before your camper leaves home. We are happy to take letters on check-in day to be delivered later in the week!

### **Send E-mail to your camper**

You will receive instructions at check-in on how to send your camper an e-mail.

## **Traveling to Camp**

Camp Aldersgate is very easy to get to.....

**if** you are aware of two things and have good directions!

**1)** When you are following your GPS, or printing directions to get here, if your route takes you on Dewdrop Road, we recommend finding another route. Road is a bold term for Dewdrop, it is rather more of a path through the woods. We recommend coming in on Rt 332 to Autumn Rd to Dyewood Rd (Camp's Entrance) no matter which direction you are coming from.

**2)** When you do arrive at Aldersgate's main entrance, do not be alarmed when you find you must first travel through FFA Camp Muskingum. Just follow the signs to get to Camp Aldersgate. We love our neighbors!

## **Tips For A Successful Camp Experience:**

- In the days leading up to camp, encourage your camper by explaining how proud you are of them for taking this step. Frequent and short conversations are normally best and highly recommended.
- Tell them you can't wait to see them on the last day of camp. Don't worry, they will not feel as if you are abandoning them. Remember, camp is an amazing opportunity for children to practice what you have been teaching them. Let them know that they will be doing new things, that the camp staff cares for them, and that getting used to the new routine, beds, meals, friends, and everything will take some time, even 2 to 3 days. Let them know you are proud of them for their bravery and strength in going on this amazing adventure. Let them know you will miss them, and this feeling is normal for them and you. But, reinforce that camp is important, fun, and most importantly..... safe.
- Explain to them that their counselor and the Camp Director are here to keep them safe, help them have fun, make new friends, and grow in their faith. Tell them that if they are feeling scared, homesick or bad in any way to tell their counselor or the Camp Director so we can help them. One way to reinforce in them that you trust us is by not sending a cell phone. Keeping cell phones out of camp lets your camper know that you trust them, and most importantly, that you trust us to help them when they need it.
- For many reasons, we are unable to allow campers to call home. Please don't tell a camper "if you want to come home, tell the camp staff to call, and I'll come and get you." This is negative empowerment, only teaching children to run from their problems. However, encourage them to discuss their feelings with the camp staff, and we will of course call you. We will NEVER force a child to stay at camp. As camping and youth development professionals, we want your child to develop independence in a healthy, safe, and natural way.
- If you still have concerns, questions, or would like additional information or advice on preparing yourself and your camper for the camp experience contact the Camp Director, Dan Bajc.

## **Ways of Giving Back**

If able, would you consider one of these two Ways to Give?

- A full or partial campership to help a child go to camp that otherwise could not afford this powerful experience.
- A gift to help with projects that make our facilities, equipment, and programs even better for all. Check out our newsletter on our website for current projects we are raising funds for.

To give, mail your tax-deductible gift to 3276 Dyewood Rd SW, Carrollton, OH 44615 or give online on our website.
